## ① CHEF WORKS® RENTAL CULINARY APPAREL

## ② MATS

Protect your floors with professionally laundered rental mats — ranging from custom logo and scraper mats, to anti-fatigue and safety-message mats. With Cintas delivering fresh mats every week, you'll help keep your facility clean and protect your floors.

## ③ CINTAS ULTRACLEAN® RESTROOM CLEANING

Having a clean restroom is just as important as your lobby or any other area. Using a patented process, our Cintas UltraClean® service deep cleans for a sparkling, fresh-smelling disinfected restroom. We do the heavy lifting, so your day-to-day restroom maintenance is easier.

## ④ TILE AND CARPET DEEP CLEANING

Revived floors say you're ready™ for business. Our gold-certified process, recognized by the Carpet and Rug Institute, deep cleans more thoroughly than any other method — using greater heat, high-pressure steam and a hot water extraction process that leaves your floors clean and dry.

## ⑤ FIRST AID CABINETS

Be prepared to respond to injury or illness with our scheduled onsite service. Choose the first aid supplies you'd like us to restock on a consistent basis — from bandages, gauze and antiseptics, to workplace medicine and burn care — and they'll be delivered by your dedicated service professional.
